

Wildlife Gardening Award: Application

If your garden has **ten** or more features from the table below, with at least **two** features from each of the sections: food, water, shelter and sustainability, you can achieve our Wildlife Gardening Award and receive a plaque to display in your garden and a certificate.

To complete your application simply tick the box next to the all features your garden has. If you need more information on how to install any of these features in your garden please see the accompanying wildlife gardening factsheet on our website at <http://www.hiwwt.org.uk/wildlife-gardening-award-scheme>
