# HOW TO FIND BLASHFORD LAKES

Approximately two miles north of Ringwood on A338 Ringwood - Salisbury road, take the Moyles Court/Linwood turning at Ellingham Crossroads into Ellingham Drove. After approximately 400 yards, turn right into the Wessex Water Treatment Works site (the sign is easily visible from the road). There is car parking available outside the centre at the end of the gravel track leading from the tarmaced surface of the main entrance.
