Small Mammal Trapping

Sunday 14th October 2018

Help Hampshire Mammal Group committee member, John Buckley, check the Longworth traps set at Itchen Valley Country Park.

This is an excellent opportunity to practice your small mammal handling and identification skills and to learn more about small mammal survey techniques.

Please bring: Suitable clothing for the weather (warm and waterproof). Stout waterproof footwear e.g. walking boots or wellies with warm socks (if it's cold)

The ground can be boggy and in total you will cover about 3 km

Time: 9.00am – Midday

Location: [Itchen Valley Country Park](#)

Charge: £5 for adults, £2 for children

Booking: Essential as numbers are limited.
