

## Will for Wildlife 2019 – what you need to know

The Will for Wildlife scheme brings together well-respected solicitors in Hampshire and the Isle of Wight to offer members and supporters of Hampshire & Isle of Wight Wildlife Trust the opportunity to have their Wills written either for free or for a subsidised rate.

An up to date Will, written by a solicitor ensures that your wishes are respected. It avoids difficult decisions and legal complications for your loved ones and allows you to provide for family and friends

Since the Trust started almost 60 years ago, gifts in Wills have allowed us to take great steps forward in protecting local wildlife and wild spaces. Nature reserves like Sandown Meadows and Chappetts Copse might not exist at all and much of our essential conservation work would not have been possible.

To take part in the scheme all we ask is that you also consider remembering local wildlife through a gift to Hampshire & Isle of Wight Wildlife Trust, this isn't compulsory however and you can leave as little or as much as you like.
