

# Invertebrate Insights

What's the weather like?

Where are you doing this survey?

City

Village

Rural

Town

Big garden

Small garden

Medium garden

Balcony

Window box

Looking out of a window

**Count and record the number of these invertebrates you see in your garden**

If you know the name of a specific species within one of these groups, tell us about it when you submit your results online.

Invertebrates  
are animals that  
don't have a  
backbone!

Snail

Slug

Worm

Beetle

Butterfly

Bee

Earwig

Spider

Grasshopper

Woodlouse

Centipede

Millipede

**Submit your results to [hiwwt.org.uk/how-wild-are-we](https://hiwwt.org.uk/how-wild-are-we)**

**To help you identify the species use our guide - [hiwwt.org.uk/wildlife-explorer/invertebrates/other-insects](https://hiwwt.org.uk/wildlife-explorer/invertebrates/other-insects)**
