

Who are we?

For sixty years we've been protecting our amazing habitats and creating safe havens for threatened species on land and at sea.

Today, we manage over 50 nature reserves, as well as working with other organisations and landowners to protect and connect wildlife sites across the counties.

Our vision is for a wilder Hampshire and Isle of Wight where nature is recovering, wildlife returning, damaged ecosystems are being restored and where everyone is benefitting from a healthier, more resilient, natural environment.

To do this, we need more people on nature's side and more space for wildlife to thrive.

We know what needs to be done and we need your support to achieve it.

We have been members since 2009, working in partnership with the Trust on numerous community projects over the years, engaging our colleagues, members and communities in creating greener neighbourhoods. Our relationship with their ecology services, Arcadian Ecology, is helping us to be a wilder business, informing our business strategy and decision making.

Gemma Lacey, Director of Sustainability & Communications Southern Co-Op

BECOME A
Wildlife Investor

Invest in wildlife and a wilder Hampshire and Isle of Wight

As a **Wildlife Investor** you'll become part of a **network of people and organisations all passionate about the future of Hampshire and the Isle of Wight, and ensuring it is wilder for generations to come.**

There are a number of different ways that you can invest in wildlife and support us:

- Corporate Membership
- Sponsorship and partnerships
- Professional services, including land management advice, biodiversity benchmarking and ecological surveys*
- Nature-based solutions such as carbon offsetting through habitat creation
- Cause-related marketing
- Gifts in kind and pro bono
- Staff volunteering
- Charity of the Year
- Staff fundraising and payroll giving
