Gift in Wills Our Legacy Promise

Our Legacy Promise

We promise to use your gift wisely for the benefit of local wildlife.

We recognise that your loved ones come first in your Will.

We know that your Will is personal to you and we will always respect your privacy.

We will never ask the size or type of your gift, because every gift makes a difference.

We will handle all gifts left to us with care, sensitivity and respect.

We understand that circumstances can change and there may be a time when you need to take Hampshire & Isle of Wight Wildlife Trust out of your Will.

You may tell us that you would prefer your gift to be directed towards a certain area of work, otherwise we will use it where the need is greatest at the time.

You can tell us if you have left a gift to Hampshire & Isle of Wight Wildlife Trust if you want to, but you do not have to.

We remember the names of those who leave a gift in their Will in our in-memory book. However if you would prefer that your gift remains anonymous we will of course respect your wishes.

We will never unduly influence legal practitioners to encourage gifts to Hampshire & Isle of Wight Wildlife Trust, nor pressure you to leave a gift in your Will.
