Educational Training

Hampshire and Isle of Wight Wildlife Trust can deliver bespoke tailored training sessions either on school grounds, at one of our reserves or local coastal areas. Our experienced Education Officers and Forest School leaders are experts at making outdoor learning fun and memorable. Training sessions could be aimed at teaching staff, afterschool or lunchtime supervisors, PTA members, volunteers or grounds staff and can be tailored to meet the needs of the school and children.

Examples include:

Wild Beach taster training at the coast or **Forest School taster** training on school grounds or at a reserve.

- Learn about the Forest School ethos
- Coastal activities
- Risk assessing your site and activities

Playing in Nature

- Outdoor games and activities to engage children with the natural world.

Activities for developing literacy outdoors KS1-KS4

- Activity ideas linked to the National Curriculum
- How learning outside the classroom can encourage physical, communication, social, emotional and cognitive development.

Activities for developing maths and science outdoors KS1-KS4

- Keys and identification: delivering activities to investigate Living Things
- Maths in nature
- Activity ideas using mathematic concepts- sizes, measures, quantities, sequences, symmetry etc.

Learning through outdoor play

- How shelter building, fire lighting and using tools at Forest School develop self - confidence and self -esteem in children and young people
- Risk/ benefit analysis
- Building confidence in taking children outdoors
- How outdoor child led learning can support learning from the classroom
