

HOW TO TALK ABOUT HAMPSHIRE & ISLE OF WIGHT WILDLIFE TRUST

In one sentence:

Hampshire & Isle of Wight Wildlife Trust protect local wildlife and wild places across Hampshire, the Isle of Wight and our local seas.

In 30 seconds:

For over 60 years, Hampshire & Isle of Wight Wildlife Trust has protected local wildlife and wild places. We care for over 70 nature reserves, help people take action for nature and work to create more space for wildlife to thrive. As a charity, our work depends on the generosity of supporters, which is why I'm running and fundraising for Team Wilder.

For children:

The Trust helps look after nature where we live. It protects special places for wildlife and helps people give animals, plants and habitats more room to thrive.

Key talking points:
